

## **Canadian Security Pioneer – The Ron Minion Award - Guidelines**

The Canadian Security Industry Pioneer award was established in 1999 to recognize the contributions of ASIS Canadian members who have distinguished themselves through their contribution to the growth and professionalism in the security industry. The security practitioners that initiated the award not only considered the contributions that individuals made to the Canadian Security Industry and to ASIS International in Canada, but also to ASIS International globally.

Ron Minion, CPP, was the first recipient of the award in 1999 and was instrumental in bringing ASIS to Canada. He, along with others primarily in western Canada, worked tirelessly to establish the first Chapter in Edmonton and then in Calgary. Sadly, Ron passed away after a courageous battle with ALS, also known as Lou Gehrig's disease. In his honor, the award has been re-named as the **"CANADIAN SECURITY INDUSTRY PIONEER – The Ron Minion Award"**.

It is anticipated that each Chapter will put forward a nomination for this award. The award will be presented at the ASIS Canada Annual General Meeting and/or the Annual GSX Seminar.

In addition to the criteria specified on the Nomination Form it is suggested that each submission include the following points. This information will assist the selection committee in making their choice for this year's recipient. These include:

- Number of years of membership in ASIS International.
- Number of Years CPP, PSP, PCI or APP certified. If more than one designation, specify.
- Has the nominee served on the ASIS Leadership team in Canada? If so, provide details.
- Number of years as a Chapter Chairperson or other Chapter Executive. Be specific.
- Did the nominee serve as a Chapter Committee Chair? Provide details.
- Has the nominee served on an ASIS International Standing Committee, Board or Foundation?
- Has the nominee served on an ASIS Community?
- Service on the Board of Directors for ASIS International.
- Has the nominee provided presentations at security conferences or the ASIS Annual Seminar and Exhibits? If so, provide details and dates.
- List security publications or articles written for national publications.

The nomination, when completed, should include all of the nominee's accomplishments and clearly demonstrate why the candidate is deserving of the nomination. A nominee cannot be a current director of ASIS Canada, nor a former Ron Minion award winner.

All nomination submissions are to be sent to the ASIS Canada leadership prior to September 1<sup>st</sup> each year at [leadership@asiscanada.ca](mailto:leadership@asiscanada.ca). An Award Selection Committee will be chosen by the ASIS Canada Administrative Director to review all nomination submissions and select the successful nominee.

The Award Selection Committee will have no less than three members. The members would ideally represent Canada and either be a former Ron Minion award winner and/or have extensive ASIS volunteer experience in Canada.

**Part I – Nominator Information**

Name	
Email Address	
Phone Number	

**Part II – Nominee Information**

Name	
Email Address	
Phone Number	
ASIS Membership Number	
Member Since (year)	
Current Chapter Affiliation	
ASIS Certifications	

**Part III – Contributions**

Provide a written narrative detailing the significant volunteer contributions of the nominee, which are deserving of this recognition and which would make the nominee a worthy recipient. Contributions should include volunteer positions held both inside and outside ASIS International, personal achievements, years worked in the security industry, employment positions held, and other contributions made by the nominee.
